Hindi

#### **HOUSE SYSTEM**

To promote a sense of belongingness on one hand and healthy competition on the other, all students from class I onwards are divided into four Houses namely Shivaji, Ashoka, Tagore and Raman House. The houses, on rotation, share the task of maintaining decorum in the school. To inculcate a healthy spirit of competition, literary, creative, scientific, cultural activities and games/sports are organized on House basis. The whole year is packed with activities as per school calender where each child is given an opportunity to sing, dance, paint and play. The students are divided into four groups for Inter-House competitions.

#### **SPORTS**

We believe in the philosophy of "A sound mind dwells in a healthy body". Sports is an integral part of GPS and is structured to develop skills, stamina and sportsmanship spirit. Inter-House matches form an important part of the school calender. Team games like Cricket, Football, Basket Ball, Lawn Tennis, Volloyball, Table Tennis, Badminton and Athletics are played with great enthusiasm and the Annual Sports Day gives an opportunity to the children from all the classes to exhibit their talent.

## YOUNG SCIENTISTS DEVELOPING THEIR SKILLS

#### **LIBRARY**

It subscribes to a very large number of Regional and National Newspapers, Magazines and Journals. It is regularly updated with latest books on Fiction, Literature, Current Events and different subjects. The extensive Reading Room, which can accommodate 2 classes at a time, provides serene and cozy atmosphere for perfect concentration.

#### **LABORATORIES**

The school has independent laboratories for Physics, Chemistry, Biology and Mathematics language lab is a latest addition. These are very well equipped with latest and standard Chemicals and Articles/Instruments. There are Computer Laboratory for Senior Sections and Junior Sections with latest configuration. It also includes overhead projectors and LCD projectors.

#### **PARENT SCHOOL INTERACTIONS**

Parents are encouraged and expected to play an important role in the life of GPS students as we strongly feel that we are partners in the wonderful process of the child's development and in the unfolding of his/her personality. Regular Parent-Teacher Meetings are held in the school to review and discuss the progress of the child. Their participation in holding seminars, workshops, school programmes and functions is deeply appreciated and encouraged.

#### **GUIDANCE AND COUNSUELING**

The school has a full fledged guidance and counseling cell under a Professionally qualified Psychologist. School guides and assists the children to handle their physical, mental, psychological, emotional and educational needs. Even parents are invited to discuss and share the problems of their children. They too are educated to handle the adolescent problems and growing children.

#### M. I. ROOM

The school takes care of minor injuries and medical problems of the children. School also monitors the health and growth of students on quarterly basis regularly and Health Process Report of every child is maintained.

#### **REMEDIAL CLASSES**

It is very important to provide special attention to slow achievers and academically weak students. Special remedial classes are organized for such students to provide one to one personal attention. This is specially done in case of students who are to sit in board examination for classes X and XII.

### **CULTURAL MEMORANDA OF ACTIVITIES**

### **CULTURAL MEMORANDA OF ACTIVITIES**

#### **SMART EDUCATION WITH SMART CLASS**

The school has set up smart interactive classroom right from the primary section with latest technology to supplement teaching / learning process through computer aided education supported by smart class.

#### **TOURS, CAMPS AND EXCURSIONS**

Tours, Camps and Excursions combine education with recreation. They also provide the students an opportunity to manage themselves independently without the help of their parents, away from the shelter and protection of home. Students also experience the importance of sharing and co-operation among their friends and class fellows, besides letting them know more about their country and people. Every year the school organizes Tours during the summer vacation to places of Recreational, Historical, Educational and Cultural importance.
